2. **Creating the Base:** Begin by forming a magic ring and crocheting a series of single crochet stitches to establish the foundation of your

basket.

4. **Embellishing with Hearts:** Add a touch of enchantment by crocheting adorable heart motifs and attaching them to the sides of the basket, using slip stitches for a secure hold.
5. **Completing the Rim:** Crocheting a row of single crochet stitches around the top edge of the basket creates a sturdy and decorative rim.
6. **Attaching the Handle:** Using a contrasting color, crochet a chain of single crochet stitches and attach it to opposite sides of the basket, forming an elegant and practical handle.
7. **Weaving in the Ends:** Neatly weave in any loose ends to ensure a polished and professional finish.
