

First International Workshop on Blockchain and Energy: Technology, Economics, Regulation, and Policy

Overview

The First International Workshop on Blockchain and Energy (BWES) 2023 will bring together researchers, industry practitioners, and policymakers from around the globe to discuss the latest advancements and challenges in the intersection of blockchain technology and the energy sector. The workshop will explore the potential of blockchain to transform various aspects of the energy industry, including smart grids, distributed energy resources, renewable energy, energy efficiency, energy markets, energy security, and energy sustainability.

Machine Learning and Medical Engineering for Cardiovascular Health and Intravascular Imaging and Computer Assisted Stenting: First International Workshop, ... Notes in Computer Science Book 11794)

Language : English
File size : 26713 KB
Text-to-Speech : Enabled
Screen Reader : Supported
Enhanced typesetting : Enabled
Print length : 332 pages

The workshop will feature keynote speeches from leading experts in the field, as well as technical paper presentations, panel discussions, and interactive breakout sessions. The workshop will also provide a platform for networking and collaboration among participants.

Topics of Interest

- Blockchain for smart grids
- Blockchain for distributed energy resources
- Blockchain for renewable energy
- Blockchain for energy efficiency
- Blockchain for energy markets
- Blockchain for energy security
- Blockchain for energy sustainability
- Blockchain for energy regulation and policy
- Blockchain for energy economics
- Blockchain for energy finance
- Blockchain for energy data management
- Blockchain for energy supply chain management

Important Dates

- **Paper submission deadline:** March 15, 2023
- **Notification of acceptance:** April 15, 2023
- **Camera-ready paper submission deadline:** May 15, 2023

- **Workshop date:** June 15-16, 2023

Submission Guidelines

Authors are invited to submit original, unpublished research papers that address the topics of the workshop. Papers should be submitted in the Springer LNCS format and should not exceed 10 pages in length.

Submissions should be made electronically via the EasyChair submission system: <https://easychair.org/conferences/?conf=bwes2023>

Organizing Committee

- **General Chair:** Dr. Xiaohong Guan, University of California, Berkeley
- **Program Chair:** Dr. Vijayakumar Varadharajan, University of Texas at Austin
- **Publicity Chair:** Dr. Rongxing Lu, University of Illinois at Urbana-Champaign
- **Local Arrangements Chair:** Dr. Wenbo Wu, University of Waterloo

Contact

For any inquiries, please contact the workshop organizers at bwes2023@easychair.org.
