- How to keep him interested
- How to make him fall head over heels for you

## How to Attract His Attention

The first step to making him chase you is to attract his attention. Here are a few tips:

- **Be yourself.** Don't try to be someone you're not. He will be able to tell if you're being fake, and it will turn him off.
- **Be confident.** Confidence is attractive. When you believe in yourself, it shows. And when he sees that you're confident, he'll be more likely to be interested in you.
- **Be friendly.** Smile, make eye contact, and be approachable. You want to make him feel comfortable and at ease around you.
- **Be interesting.** Have something to say. Be passionate about your interests, and share them with him. He'll be more likely to chase you if he finds you interesting and engaging.

## How to Keep Him Interested

Once you've attracted his attention, the next step is to keep him interested. Here are a few tips:

- **Be a good listener.** When he's talking to you, pay attention to what he's saying. Ask questions, and show him that you're interested in what he has to say.
- **Be supportive.** Be there for him when he needs you. Offer your support, and let him know that you're always there for him.
- **Be fun to be around.** He should enjoy spending time with you. Make him laugh, and make him feel happy.

- **Be unpredictable.** Don't be afraid to surprise him. Keep him guessing, and he'll be more likely to chase you.

## How to Make Him Fall Head Over Heels for You

Once you've kept him interested, the next step is to make him fall head over heels for you. Here are a few tips:

- **Be yourself.** This is the most important thing. He needs to know the real you, and he needs to love you for who you are.
- **Be vulnerable.** Let him see your true self. Share your thoughts, your feelings, and your dreams. He'll be more likely to fall for you if he knows the real you.
- **Be patient.** Love takes time. Don't expect him to fall head over heels for you overnight. Just be patient, and let things happen naturally.
- **Be a mystery.** Don't give him everything all at once. Keep him guessing, and he'll be more likely to chase you.

Making him chase you from start to finish is not as difficult as you might think. Just follow these tips, and you'll be well on your way to winning his heart.
