Poppy meets a group of friendly scarecrows.

As the airshow drew to a close, Captain Airheart suggested they make a detour to a nearby farm. As their airplane approached the fields, Poppy noticed a peculiar sight. A group of scarecrows, adorned in colorful patchwork outfits and straw hats, stood tall amidst the rows of cornstalks.

Curiosity piqued, Captain Airheart landed the airplane in a nearby field. Poppy hopped out of the cockpit and cautiously approached the scarecrows. To her surprise, they came to life, their eyes twinkling with mischief and their voices filled with warmth.

The scarecrows introduced themselves as Patch, Zeke, and Ollie. They had witnessed Poppy's aerial performance from afar and were eager to meet the courageous young pilot. Poppy shared her passion for adventure with the scarecrows, who listened with rapt attention.

In return, the scarecrows invited Poppy to join them for a tour of their farm. They showed her the secrets of growing crops, the importance of protecting the environment, and the joy of living in harmony with nature.

## **Unforgettable Memories and Dreams of the Future**

As the sun began its descent, it was time for Poppy to return home. With a heavy heart, she bid farewell to her newfound friends, promising to visit them again soon. Captain Airheart flew Poppy back to Willow Creek Park, where her parents were waiting eagerly.
