

# The Easy Easy Guitar And Mandolin: A Beginner's Guide to Learning Two Popular String Instruments

Are you interested in playing two of the most popular string instruments in the world? The guitar and mandolin are both great choices for beginners, as they're relatively easy to learn to play and can be used to create a wide variety of music. In this article, we'll provide you with a beginner's guide to learning the guitar and mandolin, including tips on choosing the right instruments and learning basic chords and strumming patterns.

## Choosing the Right Instrument

When choosing a guitar or mandolin, there are a few things you'll need to consider. First, you'll need to decide which instrument is right for you. Guitars are typically played with a pick, while mandolins are played with a pick or a plectrum. Guitars also have a wider range of tones than mandolins, so they can be used to play a wider variety of music.

## The (Easy) Easy Guitar and Mandolin Book by Randy Aldcroft

Paperback	: 64 pages
Item Weight	: 6.3 ounces
Dimensions	: 8.5 x 0.16 x 11 inches

Once you've decided which instrument you want to learn, you'll need to choose the right size. Guitars and mandolins come in a variety of sizes, so it's important to choose one that's comfortable for you to play. If you're not sure what size to choose, you can ask a music teacher or visit a music store for advice.

## **Learning Basic Chords and Strumming Patterns**

Once you have your guitar or mandolin, you can start learning basic chords and strumming patterns. There are a number of resources available to help you learn, including books, online tutorials, and private lessons. If you're a beginner, it's a good idea to start with simple chords and strumming patterns. As you progress, you can learn more complex chords and strumming patterns that will allow you to play a wider variety of songs.

## **Practice Makes Perfect**

The most important thing when learning to play guitar or mandolin is to practice regularly. The more you practice, the better you'll become at playing. Try to practice for at least 30 minutes each day, and focus on practicing the chords and strumming patterns that you're learning. As you practice, you'll start to build muscle memory and your fingers will become more familiar with the fretboard. You'll also start to develop a better sense of rhythm and timing.

## **Playing with Others**

Once you've mastered the basics of guitar or mandolin, you can start playing with others. Playing with others is a great way to improve your skills

and learn new songs. You can also join a band or play at open mics and other events.

Playing guitar or mandolin is a rewarding experience that can bring you years of enjoyment. If you're interested in learning to play one of these instruments, there are a number of resources available to help you get started. With a little practice and dedication, you can learn to play guitar or mandolin and enjoy the many benefits that playing music has to offer.
