A Pioneering Spirit

Growing up in a family of truck drivers, Vicki witnessed firsthand the challenges and opportunities that existed within the industry. Determined to make a difference, she started her own trucking company in 2005 with just one truck and a vision to create a sustainable, efficient, and inclusive transportation system.

Over the years, Vicki has faced numerous obstacles, including gender discrimination and a lack of access to capital. However, her unwavering determination and innovative approach have propelled her to success.

Transforming Logistics

Vicki Long Haul Trucking has become a leading provider of logistics services in Africa. The company's fleet of modern, well-maintained trucks transports a wide range of goods, including essential supplies, manufactured products, and agricultural commodities.

Vicki's focus on operational efficiency has been a key factor in the company's success. She has implemented advanced technology solutions to streamline processes, reduce costs, and improve customer satisfaction.

Empowering Drivers

Vicki is passionate about empowering the drivers who are the backbone of her company. She believes that by investing in their training and development, she can create a workforce that is highly skilled, motivated, and safe.

Long Haul Trucking offers comprehensive training programs that cover everything from safe driving practices to customer service and business management. The company also provides opportunities for drivers to advance their careers and become leaders in the industry.

Sustainability in Motion

Vicki is a strong advocate for sustainability in the trucking industry. She has implemented a range of initiatives to reduce Long Haul Trucking's environmental impact.

These initiatives include:

- Using fuel-efficient vehicles
- Implementing eco-friendly driving techniques
- Recycling and waste management programs

Impact Investing and Social Entrepreneurship

Vicki Long Haul is more than just a trucking company. It is also a vehicle for social impact and economic development.

The company has partnered with various organizations to provide training, employment, and mentorship opportunities for marginalized communities.

Vicki believes that by investing in the people and communities that support her business, she can create a more just and equitable society.

A Role Model for Women

As a woman in a male-dominated industry, Vicki has faced her fair share of challenges. However, she has never allowed these challenges to deter her from pursuing her dreams.

Vicki is a role model for women and girls everywhere. She demonstrates that anything is possible with hard work, determination, and a strong belief in oneself.

A Legacy of Progress

Vicki Long Haul has made a significant contribution to the African trucking industry. Her company has created thousands of jobs, improved the

efficiency of logistics operations, and empowered drivers to reach their full potential.

As Vicki continues to drive Long Haul Trucking forward, she is leaving a lasting legacy of progress and innovation. Her passion for excellence and her commitment to social impact will continue to inspire generations to come.
